THE JOURNEY YOU'LL NEVER FORGET

The stories revolves around an alien named TD 2 or better known at his planet as Tedibak , a boy named Miko and his little sister named Lily. Their adventures started when planet Zero was attack by their enemies. During the battle, TD 2, who was one of the top fighter plane pilot of Planet Zero chase an enemy planes right into a Black hole and causes disruption to the dimensional waves. The waves brings TD 2 to earth, where he met up with Miko , Lily and their family which consist of Eyal, the father , Ros, the mother and a grandmother who loves to tell stories , Nek.

TD 2 takes upon the form of a teddy bear and a bug thus creates a unique feature of him self with the combination of a teddy bear and a bug. The three of them then ventures into an amazing journey through time and distance, which covers old tales and historic event or incidents such as 'Badang' the strong man, the five warriors of Malacca, the curse of the angry giant, the Stone Age, their parents past and others.

Thus the journey begin....
